

# Payment Portal

Pre-packaged mini-portal for Zuora credit card payments.

works with  
**zuora**

**FRONTIERA**  
www.fronteraconsulting.net

as low as

# \$500/ mo.

Up and running in days, not months.

## OVERVIEW

*Payment Portal* is a pre-built customer self-service payments page hosted in Frontera's C2Ctools Integration Cloud. *Payment Portal* lets your customers view and pay their open invoices via credit card, ACH and Direct Debit (coming Summer 2015).

## USE CASES

- Customers want self-service to pay their open invoices
- Customers want to use credit cards and ACH
- Limited in-house development & infrastructure

## WHAT IS INCLUDED?

- Access to C2Ctools maintenance for set up
- Setup/configuration of Zuora HPM
- Basic web page for creating Payments
- Custom client logo, page title & colors

## WHAT IS NOT INCLUDED?

- Payment gateway service
- Management of existing credit card data
- Shopping cart or checkout functionality (invoices must already exist)

To sign up or schedule a demo, call **1-866-496-2280** or visit our webpage at <http://www.fronteraconsulting.net/c2ctools>
